

CHILDHOOD IMMUNISATION VACCINE FORMULARY Budget Plan

Effective 1 January 2025

PLEASE NOTE!

- This formulary represents childhood vaccines covered by the Scheme and which are subject to applicable benefits and limits as specified by the Scheme for your plan. This example below serves as a guide to the trade names available for active ingredients listed and not for marketing of a specific brand.
- Please note that the medication on this list is published on an annual basis. Medication and prices are subject to change based on new clinical information and/or pricing updates which may not be reflected on the list below.
