### PATIENT CONSENT (CONTINUED)

- To ensure that we pay your claims from the correct benefit, any claims from your healthcare providers must include the relevant ICD-10 diagnosis code(s). Please ask your doctor to also include the relevant ICD-10 diagnosis code(s) on the referral form for any pathology and/or radiology tests. This will enable the pathologists and radiologists to also include the relevant ICD-10 diagnosis code(s) on the claims they submit, thus further ensuring that we pay your claims from the correct benefit.

- I understand that this information will be used for the purposes of applying for and assessing my funding request for chronic benefits.
- I give permission for my healthcare provider to provide the Scheme and the administrator with my diagnosis and other relevant clinical information required to review and process my application.
- I consent to the Scheme and the administrator disclosing, from time to time, information supplied to them (including general, personal, medical or clinical) to my healthcare provider, to administer the chronic benefits.
