SECOND QUARTER 2017

REVISION OF
CONTRIBUTIONS
EFFECTIVE FROM
1 JULY 2017

LETTER FROM THE PRINCIPAL OFFICER

The Board of Trustees, in conjunction with the Scheme's actuaries, finalised the contribution increases for the Scheme with effect from 1 July 2017.

We are pleased to inform you that the contributions for the Imperialmed Health Plan will be increased by an average of 7.3% and for the Imperialmed Budget Plan by an average of 6.3% from 1 July 2017. Members of the Imperialmed Budget Plan must take note that the increase is different for the different income categories.

Take note that the income categories according to which your contribution is calculated will be increased by 6% for both the Health and Budget Plans from 1 July 2017. This should prevent the possibility of members being pushed into higher income categories due to annual salary increases.

Scheme Management assures members that Imperialmed continues to offer better value for money compared to similar schemes in the industry.

The tables below reflect the new contributions per income category and family composition:
