SECOND QUARTER 2024

Revision of
contribution
increases effective
1 July 2024.

LETTER FROM THE PRINCIPAL OFFICER

Revision of contributions effective from 1 July 2024

The Board of Trustees, in conjunction with the Scheme's actuaries and Scheme Management, finalised the contribution increases for the Scheme with effect from 1 July 2024.

We are pleased to inform you that the contributions for both the Imperial Motus Med Health and Budget Plans will be increased by an average of 5.5% with effect from 1 July 2024. Take note that the income categories according to which your contribution is calculated will also be increased by 5.5% for both the Imperial Motus Med Health and Budget Plans with effect from 1 July 2024. This should prevent the possibility of members being pushed into higher income categories due to annual salary increases.

Scheme Management assures members that Imperial Motus Med continues to offer better value for money compared to similar schemes in the industry.

Yours faithfully

Fred Meier
Principal Officer
Imperial and Motus Medical Aid

**INCREASES
EFFECTIVE
1 JULY 2024**

The tables below reflect the new contributions per income category and family composition:

Imperial Motus Med Health Plan
