

Revision of
contribution
increases effective
1 July 2025

NEWSLETTER

SECOND QUARTER 2025

LETTER FROM THE PRINCIPAL OFFICER

Revision of contributions effective from 1 July 2025

The Board of Trustees, in conjunction with the Scheme's actuaries and Scheme Management, finalised the contribution increases for the Scheme with effect from 1 July 2025.

We are pleased to inform you that the contributions for the Imperial Motus Med Health Plan will be increased by an average of 7.5% with effect from 1 July 2025. For the Budget Plan, the top three income categories will be increased by 7.9% and the bottom two income categories by 7.5% with effect from 1 July 2025.

In addition, the income categories according to which your contributions are calculated will be increased by 5% for both the Imperial Motus Med Health and Budget Plans with effect from 1 July 2025. This should prevent the possibility of members being pushed into higher income categories due to annual salary increases.

Scheme Management assures members that Imperial Motus Med continues to offer better value for money compared to similar schemes in the industry.

Imperial Motus Med submitted the proposed contribution increase for 2025 to the Council for Medical Schemes in March 2025 and these increases are subject to approval from the Registrar.

Yours faithfully

Fred Meier
Principal Officer
Imperial and Motus Medical Aid

Contribution tables effective 1 July 2025

The tables below reflect the new contributions per income category and family composition:

Imperial Motus Med Health Plan			
Income category	Principal member	Adult dependant	Per child (maximum 3*)
R0 - R4 530	R3 011	R2 406	R542
